

ABOUT US

Café Flora is new to Carlsbad. We offer a wide selection of French delicacies, specifically pastries, sandwiches, and desserts. We are a family run company that prides ourselves on that “straight out of the oven” freshness. The patio of Café Flora is a perfect spot to park yourself on a warm summer day, when you need a pick me up before (or after) heading down to the beach, or if you’re simply looking to catch up with an old friend over brunch.
